Naming Opportunity

Discovery Cottage

Living reverently with a greater understanding of the wonder of nature and our role as protectors and contributors to the environment has been a hallmark of great civilizations. And for young scholars, it's always fun to learn about the natural world by digging, dissecting, planting and investigating. That's the purpose and direction of this latest enhancement to our gardens. We want to grow future gardeners by planting the seeds of knowledge and nurturing them with fun and delight. Help us keep growing and sharing our beautiful world by sponsoring a named gift to our Discovery Cottage.

Naming Opportunity is $250. Please make check payable to: THE ELIZABETHAN GARDENS

THE Elizabethan Gardens
